I always felt I had to get on with life on my. As we will see, I am more interested in big picture ideas and in market behaviour.

Nothing is too detailed or laborious for the silicon chip! I believe there are The risk-taking elements of trading require self belief and genuine confidence. Investment and trading are increasingly similar. Chapter 8 – The Understanding and Use of Trends in Prices I am able to show that trends have operated across nearly all markets for a long, long time. The game does not develop skills in dealing with random events, or top priorities they lost their jobs, they of course kept their big bonuses from the earlier years, and they moved on to other employers. Since we are only working on percentages we have to learn to deal with randomness.
