We need only look at the number of parties in the British or Canadian systems, both of which are winner-take-all plurality systems like that in the United States, to see that it is possible to have more than two parties while still directly electing representatives. All of the reforms promote an individualistic, atomized model of politics in which there are candidates and there are voters, but there is nothing in. It entangled sea turtles and dolphins, too, fatally preventing them from surfacing for air.

Theremarkswereissuedtothenewsmenandtelegraphednationwidetoappear

between choosing their own presidential candidate or supporting Bryan, the party leadership decided that nominating their own candidate would simply divide the forces of reform and hand the election to the more conservative Republicans.
