The history of black people has too often been presented as little more than a curiosity. The first section has the tonic as the bass note, which gives it this firmly rooted presence, whereas the other section has the third in the bass, which makes it feel suspended - which is when the lyrics turn to self-doubt. Sorry, your blog cannot share posts by email. Doing nothing was the correct course of action. Because the science especially on the prediction side is anything but settled. Solar and wind are the most touted, but far from environmentally friendly. Sometimes a slap in the face is more effective than a gentle nudge to wake people up. Enjoy it!
