It's what everything in the book symbolizes. The captain resembles Ahab and suggests a similar symbolism and single-minded motivation in hunting this whale, in that when his crew first encounters Mocha Dick and cowers from him, the captain rallies them: . Dylan's description ends with an acknowledgment: "That theme, and all that it implies, would work its way into more than a few of my songs.

Much has been made of the vast symbology of the book, probably too. It is a novel I personally am still feeling the reverberations. But on the other hand, what a gyp! Of course, Ahab is our central focus. View all 32 comments. Come again? I learned a lot without ever feeling like I was dozing off in the middle of a grand lecture hall.
