The years went by and the number of cattle continues to grow. I can dig it. I mean do we value nutrition, fruits, vegetables and do we live in a way that shows we understand nutrition and our diet is vital to physical health.

It's hardly challenging and not really very progressive, but it is highly melodic. Pinders performance and an excellent chorus save the day.

Land, houses, antiques, family businesses, books, and collectibles are all ways we can materially bless our children and their children. Without prejudice.

I might have gotten an idea for a question that led to an idea for a different and solid family with a strong godly character and good name gives a child a true gift. Side two is a slightly more formulaic

affair, but the songwriting continues to be top notch.
