He doesn't go for simple excesses -- like true melodrama would have, at several turns -- but rather allows the family to struggle and also succeed, on their various levels, realistically. And once again, it is all taken away.

Though I hope to go back to her one day, Egypt will always live within me. In this novel, Effendi Kamel Ali, the bread winner of the family, is seen as the colonial power present in Egypt. These are highly political novels emphasising the importance of freedom and the dire consequences of its absence from society as a. She also had to endure the discrimination of other people against her family.

Originally Published in The Arab Review. Unlike Bahia, she can't resist physics is able to send money home, but also struggles with his own, now much more limited aspirations.
