But this remains only a sweet fantasy. This is one of the keys to becoming more proactive than reactive.

Be able to acknowledge that, but find the optimism in the situation. So stop caring about your mind. Instead, add positivity in your life through optimistic people, events, and places.

Mindset is everything and it all falls down to your perspective of things. I understand why it is challenging to craft a solid Summary. Getting your blood pumping could be just what's needed to clear your head and get your focus .
