The poster now states that the Secretary of Labor may assess civil penalties against violators. Bush is the first instance that Congress has successfully used the Congressional Review Act to block regulation.

Certain items are excluded from our return policy. An employer must report any work-related fatality within eight hours and any work-related in-patient hospitalizations, work-related amputations and any work-related loss of an eye within 24 hours. Attempts to issue more stringent PELs have been blocked by litigation from industry; thus, the vast majority of PELs have not been updated since
