The University of Berkeley in California has the manuscript from and Edward Copenhagen of Harvard special collections showed some interest in obtaining it. Also do you know how would one go about searching for such book? I know that it is probably only valuable to a descendant however there is definitely an . Possibly never read. Neither book has a jacket, but I believe neither originally came with one. What does make this book interesting is that it was bound backward. The book cover is plain except for a small indentation in the middle with something written on it, and gold decorations all down the spine.

Mikuru Asahina and Fujiwara have travelled from the future to observe a girl. I hope you can tell me about an old book my Dad just acquired. But men may construe things after their fashion, Clean from the purpose of the things themselves.
