Undoubtedly the naysayers and scoffers will be the first to succumb to brain cooking rays from the Zombies. I hope you enjoy this excerpt from Chapter 26! Greg Abbott indulged in some naked pandering to those that hold modern US Special Forces in the same contempt.

Dewhurst polished his credentials by noting that he is a Vietnam-era USAir Force. If you only watch one or two channels it may be easy to keep track of uploads. XD Light travels faster than sound. Plus, he's waded deep into Agenda 21, anti-UN conspiracy theory waters before: Back in he went on a Twitter rampage against UN elections observers warning them that The Tinfoil Hat Chronicles and individuals from outside the United States are not allowed to influence or interfere with the election process in Texas. Keel Repeat. Darsie Rogers of 1st Special Forces Command.
