I can see his point regarding the how a person with zero negative and zero positive would behave. Full of original research and radical ideas, Zero Degrees of Empathy presents a new way of understanding what it is that leads individuals to treat others inhumanely, and challenges all of us to reconsider entirely the idea of evil.

View all. I bought this book two days ago and have almost finished it.

Amongst other measures, he asks whether one enjoys caring for others, when taxometric analysis of the latent structure of psychopathy: Evidence for dimensionality. He has carried out research into social neuroscience over a 20 year career.
