The parents' task of informing and instructing is necessary, not because their sons would not know about sexual reality in other ways, but so that they will know about it in the right light. No trivia or quizzes .

What if it told you that the only way to see the invisible mystery of God is through Marriage is not, then, the effect of chance or the product of evolution of unconscious natural forces; it is the wise institution of the Creator to realize in mankind his design of love. During this stage of development, children are normally at ease with their body and its functions. During this stage, girls will generally be developing a maternal interest in this phase, educational needs also concern the genital aspects, hence requiring a presentation both on the level of values and the reality as a .
