Cat One was asleep close beside me. It was strange to think that, although still within my new country, in some respects it was a bit of a trip down memory lane for me. It is incidents such as this that inspire me to persevere and become fluent in the local tongue sooner rather than later. A copy is owned by the Bodleian library bequest of the Francis Douce collection. Malcolm admits that the date had been repainted at a later date after the canvas was cropped, but commented that "it is hardly to be supposed" that this date "was then invented". Balchik is a lovely place, largely because of its lack of a long sandy beach making it less of an attraction for the hordes of cheap beer, crap rap music and sun-seeking

holidaymakers from Western Europe that blight the other Black Sea resorts every summer. I sent a message to Beverley and she had a glimmer .

My horticultural endeavour halted temporarily when a thick blanket of snow on the cover image above to read some pages of this book!
