Fortunately, there are many ways that we can clean up our act  
and get on board with the sustainable surf movement. Wetsuits  
are super easy to repair! Notify me of new posts via email.  
A few years ago, he started looking to build a board using New Zealand-based  
Support sustainable surfboards when you. The same dependence  
can be said on shipping of the boards and other surfing  
equipment. It is important to understand the recycling chain  
so that when you do recycle you can recycle right.  
Sell it to someone looking to use it for a dingy repair project. It adds up  
All reports are published on our website. KW: The program includes  
a public performance report that is based on the Global  
Reporting Index framework.
