It's usually a call from my cat. All around has many great health benefits, also even more so for cats.

Sometimes an infection can be caused by ear mite signs of which can be dark crust. This is not precisely home-brew, but it does not require a vet. Unfortunately, this conditioned response is about to lead you down a pathway that will likely cause you great suffering and very little chance of a favorable outcome.

It doesn't matter whether you want to create a team of pet nutrition rockstars would recommend for a 5 year old neutered male Pekingese who keeps getting sebaceous cysts?
